On What Criteria Will Each School Be Judged? _____

Category

Criteria

Commitment to Conference.....% of students registered compared to the number of students that actually attend the conference.

Competitive Event Participation.....% of students in attendance at CDC compared to the number of students competing in an event (excludes Chapter Events, Talent participants, & all Electronic Presentation participants except for the one registered) Students must attend CDC to be counted.

Note: If a student cancels participation in a competitive event the day of the event, the percentage for this category will go down.

Performance Cards.....% of student performance cards collected per school compared the number of students attending from that school.

- Best Dressed Card**.....Schools will be judged on Tuesday's casual dress & Wednesday's business attire which includes professional dress. No Hats or Shorts!
- Most Courteous Card**.....Best use of manners, politeness, those who are considerate, etc.
- Leadership Skills Card**.....Students will be judged on motivating others, engaged in activity, setting the example, getting & giving information, take charge attitude, accepting of others differences, exhibits team skills.

In your packet you will be given (5) cards for each of the 3 Performance Card categories being judged in this event.

When you see a student that exhibits exceptional behavior in one of the categories please approach the student and fill in; **the school they represent, the student's name and sign your name** in the space provided on the card. Present the card to the student and ask them to drop it in the "Most Professional School" box at the registration table. On the back of the card is the description of the criteria for that category. The total number of cards collected for each school in all 3 card categories will be used to calculate a total percentage for Performance Cards. This percentage will be then added into the other 2 calculated percentages (*Commitment to Conference and Competitive Event Participation*). The school with the overall highest percentage in all of the 3 areas being calculated will be awarded the *Most Professional School in Montana*.

*Please note: Students may be approached and given a card anytime during the two-day conference including during; workshops, coordinated chaos, competitions, talent show, volunteering etc. Please commend the student on professionally representing their school. Also, please base your selection on individual performance not on a specific school. If you need additional cards they may be picked up at the registration table in the lobby.

JMG Staff will be calculating all percentages used to determine the winner of Most Professional School.

We developed this event as a vehicle to positively recognize individual students. This is a competitive event that the specialists can easily link to workplace responsibilities and expectations. We also hope that during the conference you will have a teachable moment where students learn that gracefully accepting losing is as important as learning how to graciously handle success.

Thank you for your participation in this event.
